### **Access to Resources:**

Access to resources and records shall be limited to authorized individuals for authorized purposes only. A system of accountability, recording and custody shall be assigned and maintained. Management exercises stringent monitoring to ensure proper auditing and maintenance of resources.

### **Record Keeping:**

All critical records such as Manuel and Procedures of the company, all internal and external record of the company with Management Representative (MR) for students Attendance, Assignments, feedback and Grading will be maintained by the Heads of the Department (HODs) to Chairman.

### **Resolution of Deficiencies:**

All staff and students are encouraged to report any events of fraud, abuse, or mismanagement of any kind in any activity to a member of the Disciplinary Action Committee. The committee will investigate and evaluate all such claims and report the findings along with recommendations for appropriate action which may include corrective and/or disciplinary action. Based on the findings and recommendations, management shall take appropriate actions as required with the consent of Chairman.

### **Health & Safety Measures:**

ENET EDUCATION fosters a safe and healthy environment. For this it is fully equipped with all such safety equipment as required for the workplace. Staff are trained to act fast and properly in case of emergencies. Safety/fire drills shall be conducted to ensure that all staff knows how to act in exigency situations. First Aid kit is maintained in a predetermined and accessible place in the institutions. The institution maintains a clean and hygienic environment for its staff and students. Health and safety manual are accessible to students and staff.

### **Appeals:**

Appeal Board is set up which is headed by the Chairman & Managing Director (CMD) with other Officials in top management and Head of the Department along with student representatives and staff. This is to ensure an ongoing and smooth two-way communication to redress grievances, if any.

## **Equality of opportunity:**

ENET EDUCATION operates on the principle of equal opportunity within the institution. We recruit, train, educate, promote, and provide services and opportunities to all persons based upon their individual caliber, qualifications and capabilities and do not discriminate based on gender, religion or race.

Quality Assurance: ENET will provide quality teaching, learning and training in line with the requirements of the market, so as to prepare industry-ready professionals.

To achieve this, the faculty has been chosen for their academic excellence and industry experience so as to ensure right quality of teaching. A QA manual is accessible to the entire staff. Documents for the processes involved right from the admission to examinations and exit of students. Staff will undergo implementation training programs from time to time to ensure that they understand the requirements for delivery, assessment and management of the courses. It is ensured that the members are capable, confident and competent to execute the requirements in the academic and administrative aspects.

## **ASSESSMENT AND INTERNAL VERIFICATION STRATEGY**

Internal Verification process ensures conforming to specific established standards. The Chairman & Managing Director is the Internal Verifier who would be responsible for ensuring that all processes are executed as per the Standards with the help of the personnel in top Management. For this purpose, the staff concerned would be trained on the required laid-out methodology. A system to ensure, timely, uniform, consistent and correct execution of procedures and processes will be the backbone of ensuring the implementation of standards of University.
